

### Homework 3 - Tic-Tac-Toe Game Domain Model

#### CSCI 360

Create the domain model for the tic tac toe game described in HW1. Include a short justification for each design choice that you have made.

You may use visual paradigm, draw.io, or any other diagram-drawing tool of your preference.

#### Rubric HW3:

	Points (0-3)	Comments
<b>Completeness &amp; Correctness - model components</b>		
<b>Completeness – attributes</b>		
<b>Correctness - arrows and multiplicities</b>		
	0	0
