

Homework 5 - Tic-Tac-Toe Game Sequence Diagrams & Class diagram

CSCI 360

Complete three sequence diagrams and the class diagram for the simple tic-tac toe game. Keep in mind GRASP. Label each operation with the GRASP principle that it fulfills.

Rubric HW5:

	Points (0-3)	Comments
Sequence diagram correctness - did they include messages, classes needed		
Sequence diagram completeness - did they include three diagrams, include all classes/messages		
Class diagram - does it follow domain?		
Class diagram - is it complete?		
GRASP - did they label all messages according to GRASP patterns
